Graduating Class Has 111 Students Seeking Degrees

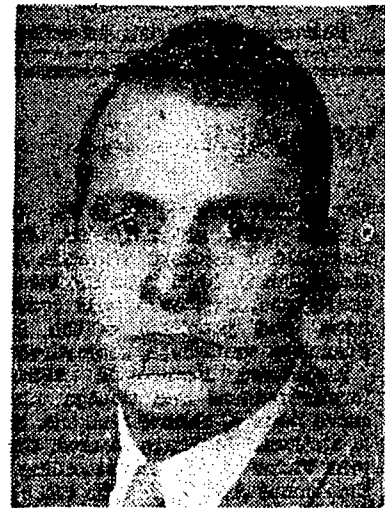

One hundred and eleven seniors will be graduated at the College spring commencement on May 27.

Dr. Emory Lindquist, professor of education at Wichita University, Wichita, Kansas, will give the commencement address, entitled "A time for Greatness."

Dr. Lindquist is a former president of the National Educational Association and is a member of the American History Association. He has attended Oxford University in England and Grenoble University in France. Dr. Lindquist is also a member of Phi Beta Kappa.

Rev. Louis Schowengerdt, pastor of the Ashland Avenue Methodist Church in St. Joseph, will speak at the baccalaureate services to be held at the College auditorium on Sunday, May 22, at 2:00 p.m. Rev. Schowengerdt received his A. B. degree from Central College in 1947 and his B. D. degree from Perkins School of Theology at Southern Methodist University in 1950. Rev. Schowengerdt's topic will be entitled "The Sleeping Giant."

Rev. Robert M. Peters, Methodist minister at Bedford, Iowa, will give the invocation at the baccalaureate services; Rev. Howard G. Judah, Baptist minister from Savannah, will give the scripture reading; Rev. Ralph Sturm O. S. B. from Conception Abbey, Conception, will give the prayer; and the Rev. Theodore C. Sperdute, Presbyterian minister from Albany, will give the benediction.

Rev. Louis Schowengerdt

Members of the Senior Class recommend ministers from their home towns for the baccalaureate services, and the participating ministers are chosen from this group.

Graduates Plan Educational Tour

Mr. and Mrs. Stephen LaMar, graduates of the College, are planning to take a group of students, and teachers on an educational sight-seeing tour to New York City, May 27 to June 3, if there are enough persons interested to make up a forty-one passenger chartered bus load.

On the return trip the party will go up the Hudson River by way of West Point and through some of the Catskill Mountains to Niagara Falls. From Niagara Falls they will go to Detroit, from which City a short dip into Canada will be taken. From Detroit the group will come back to Missouri by way of Chicago and Des Moines.

It is planned that this tour of some 3,400 miles will cost less than one hundred dollars for the necessary expenses except for meals. The bus load is not complete, as yet, so those who want to go should write or call Mr. LaMar at the Maryville Public High School, soon, so that bus and hotel reservations can be made.

Missourian Receives Award

The Northwest Missourian has again been awarded a first place certificate. Many reporters, the adviser, and members of the staff are happy that the honor has come their way. Seated is Jim Roll, editor. Standing, left to right, are Shirley Ellyson, Janice Commons, Ann Allison, and Rosalie Hamilton.

Books for Graduates Have Been Ordered

Books for the graduate program have been ordered according to James Johnson, Librarian. The fields included are business, English, social science, and education.

Three new books have been added for general reading pleasure. "Madeline, Young Wife" is the autobiography of a French girl by Mrs. Robert Henry. "No Facilities for Women," Charlotte Ebener, illustrates "people and places all over the world" as seen by a woman foreign correspondent.

"From Missouri," Thad Shaw, is both a personal history and a sociological study of a geographical and cultural section of this country. Mr. Shaw is known for writing letters to the Editor of the St. Louis "Post-Dispatch."

Tulips Beautify College Campus

Part of the campus beauty this spring can be credited to Mr. L. R. Sjulin of the Interstate Nurseries Company, Hamburg, Iowa. Five thousand Holland tulip bulbs that he gave to the College last December are now in full bloom.

Mother Nature combined her good will with Mr. Sjulin's by providing a warm period just before Christmas. The ground, usually frozen solid at that time, was soft enough that Mr. R. B. Montgomery, campus gardener, was able to plant the bulbs.

The bulbs, received in their original cases shipped from Holland, were set around the home management building, President J. W. Jones's home, the girls' dormitory, the Industrial Arts building, the Administration building, the Union, and the boys' quadrangle.

Now in full bloom, the tulips are in varying colors of red, white, orange, lavender, and yellow. Cottage and Darwin tulips border the girls' dormitory and boys' quadrangle. The Parrot tulips, a larger type with serrated leaves are in bloom at the main entrance of the Administration building.

Mr. Sjulin's daughter, Dorothy Sjulin Thiesen, of College Heights, is enrolled at the College as a junior.

Princeton Students Win Contest William Robert Hobbs and Carolyn Mae Lamphier of Princeton High School won the teenage driving contest held at the College last Saturday.

Missourian Takes Top Contest Award

The 1954-55 Northwest Missourian has been awarded a first place certificate by the Columbia Scholastic Press Association, Columbia University, New York, in the thirty-first annual contest.

The College publication is edited by James Roll, son of Mr. and Mrs. A. L. Roll, Lenox, Iowa. James is a sophomore with a business major and a minor in economics.

Rosalie Hamilton, junior, is managing editor. Rosalie, daughter of Mr. and Mrs. Herbert Hamilton, Brimston, is working toward a B. S. in Secondary Education with a major in business and a minor in English.

Ann Allison, daughter of Mr. and Mrs. M. C. Allison, Mound City, has charge of the activities page. Ann, a sophomore, also has a business major and an English minor.

Shirley Ellyson, freshman from Atchison, Kansas, plans the editorial page. Shirley is the daughter of Mr. and Mrs. Wm. Ellyson and has a business major.

Janice Commons, daughter of Mr. and Mrs. King Commons, Pattonsburg, works in the mailing and distributing department. Janice is a sophomore and is majoring in elementary education.

The paper is printed by the Forum Print Shop of Maryville.

Progressive Jazz Organization Will Present Assembly, May 13

First to Enroll Is First to Order

When Miss Golda J. Airy, St. Paul, Minn., sent Mr. Everett Brown, director of field service, a check for \$3.00 to order a copy of the history of the College being written by Miss Mattie Dykes of the English faculty, she did not know that she was making news. All she knew was that she wanted to be sure to get a copy of the book and so was sending her check before the book was published.

Here is the story. Miss Airy, with advanced credit, entered the Fifth District Normal School, now the State College here, on the first day of its first term, June 13, 1906. At the end of the term, she had credits enough, and she had met the requirement of the last term in residence, so that she was granted the elementary certificate. As her name alphabetically headed the list of graduates, she received the first certificate given by this school. It is news when the first graduate orders the first copy of the history. Unless some name precedes hers alphabetically, Miss Airy's name will head the list of names of pre-publication subscribers to be printed in the book when it is published.

The second order for the history was received from John Rush of the Rush Printing company of Maryville. Mr. Rush received his sixty-hour certificate in 1910.

College Bureau Places Teachers

The following 1955 graduates of the College have been placed in teaching positions by the College Placement Bureau: Commerce—Mizella Lemar Pearson, Jamesport; Ronald Hargin, Pattonsburg; Alma Murrell, Excelsior Springs; James Hamilton, Wilton Junction, Iowa; Berniece Short, Woodward, Iowa.

Elementary—Virginia Fuhrman, Dona Walker, Evelyn Hillman, Rosemary Reece, Keokuk, Iowa; Cena Davis, Atchison, Kansas; Harriet Appleman, Janet McClard, St. Joseph; Frances Addison, Skidmore; Phyllis Watson, Maryville; Janet Mills, Frances Cross, Mary Richards, Des Moines, Iowa; Shirley Davis, Phyllis Dyer, Denver, Colo.

English—Carolyn Crisswell, Kansas City; Carol Groom Hargin, Pattonsburg. Industrial arts—Dan Miller, Des Moines, Iowa; Monte Adams, Bethany; David Cochran, St. Joseph; Clifford Waugh, Pattonsburg.

(Continued on Page Three)

Seventeen musicians from the College music department will present a Progressive Jazz Concert for the College assembly on Friday, May 13. This group is under the direction of Mr. Earle Moss of the music faculty.

The Jazz Band is an extra curricular activity and practices outside of school time. The music played by this organization is a selection of modern jazz tunes designed for listening rather than dancing.

This will be the first public performance for two compositions, one by Mr. Earle Moss and one by his brother, Mr. Robert Moss.

Mr. Earle Moss's number, "First Night," will feature Ruth Tebow as a vocal soloist. Ruth will also sing "My Funny Valentine." Gordon Robertson will be featured as a trumpet soloist with the band in Mr. Robert Moss's number, "Bob's Tune."

Gary Dempsey, guest artist from Eugene Field School in Maryville, will be featured as a jazz piano stylist. He will play "Spaghetti Rag," "Sunrise Serenade," and "Bumble Boogie."

Bill Franklin will play an alto saxophone solo entitled "Harlem Nocturne."

Much of this music has been specially arranged for this program by Mr. Earle Moss and Warren Brown.

The program will include "Intermission Riff," by Stan Kenton; "Miserlou," rumba arrangement, "Perdido," "Mambo No. 5" by Perez Parado, and "Tenderly."

The following people are members of this band: saxophone and clarinet, Bill Franklin, Deon Jensen, Warren Brown, Jerry Troxell, Fred Whitford; trumpets, Gordon Robertson, Don Bennett, Eldon Patterson; trombones, Don Riegel, Clarence Enyart, Carl Yehle; tuba, Bill Schultz; string bass, Corwin Elliott; piano, George Green; percussion, Vernon Jenkins and Burl Walter.

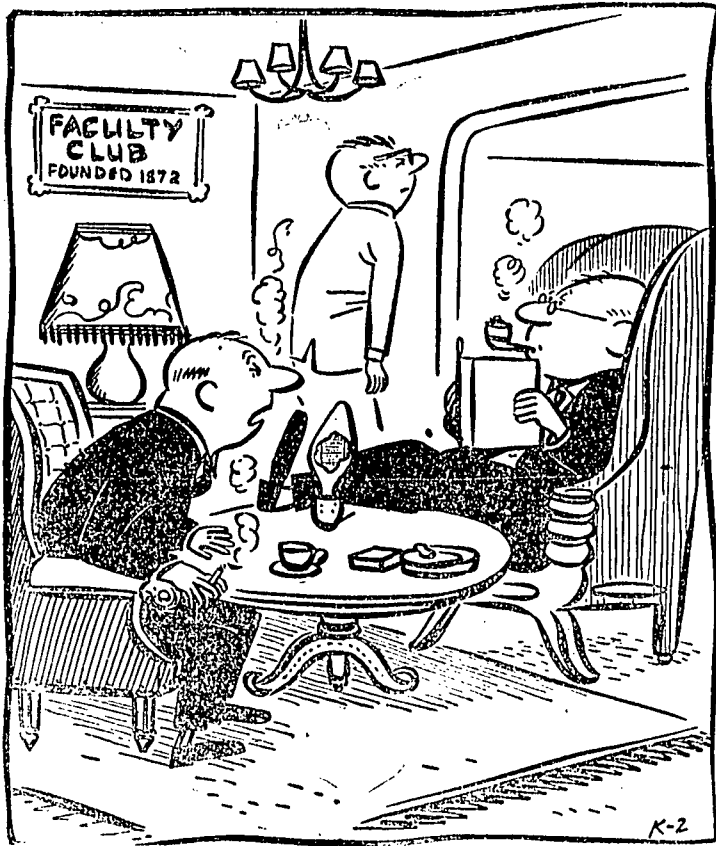

Notice

A paper mache cow's head, borrowed from the drama department for Homecoming, has never been returned. Hours of planning and work plus cost of material go into making properties, costumes, and scenery for productions. Would the person who borrowed this head please return it. If material borrowed from the drama department is not returned, the department will have to refuse to lend any of its material for student productions.

Jazz Band Prepares for Assembly

Shown above are members of the Jazz Band as they practice for the assembly they will present May 13. They are Mr. Earle Moss, director; George Green, pianist; front row, left to right, Ruth Tebow, Fred Whitford, Jerry Troxell, Bill Franklin, Deon Jensen, Warren Brown, Clarence Enyart, and Donald Riegel; back row, left to right, Corwin Elliott, Burl Walter, Eldon Patterson, Gordon Robertson, and Don Bennett; Vernon Jenkins, at the drums.

"Looks like an interesting news item, Professor Snarf—would you mind removing your shoes?"

We Proudly Claim

We proudly claim the honor of having the most beautiful campus in the state. From the color of each bed of blossoming tulips to the serene blueness of our Sweetheart Lake, foresight and artistic planning are evident.

As each day brings forth a new burst of color to blend with the rustic brick buildings and the green of the campus, let's stop in admiration.

Shouldn't we also include in our appreciation those who have planned the location and structure of our buildings, those who have arranged and cared for our beautiful plants and trees, and those who constantly strive to keep our campus a place of gracious living?

They're Talking About . . .

Picnics . . . The College Park is getting a workout these days with all the picnics being held after school. Several groups have already taken advantage of the park and the weather . . . Some people must like late picnics, too; at least there are usually some cars in the park around ten o'clock.

As we are getting toward the end of school, the schedule is getting hot and heavy. Last Friday the Tri Sigs had their formal, the Ag Club had their Father-Son Banquet, and the Swim Show had its second night performance . . . The remainder of the school year is fairly well booked up, too. Never a dull moment.

Our track team continues to be hotter than a fire cracker with eight straight wins up to this writing . . . The team is pointing toward the conference meet and hopes to show up better in the standings than we did in football or basketball. After only so-so seasons in both of them, it's great to see the track, golf and tennis teams come through for the Bearcats.

Don't want to shake you up, but do you realize finals are almost on top of us? It's that time again . . . The midnight oil should start burning real soon now as everyone, except the seniors, cram and sweat those final tests.

Coming soon, the Phi Sig Frolics.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Broadway Star Has Memories of Campus

Broadway may have Sherry Barnes Ostrus "all wrapped up in this mad television business," but she still remembers this campus.

When Earl Wilson, noted Broadway chronicler, recently interviewed her for his exclusive feature column in the Des Moines Register, she included her husband, who is also a noted TV singer.

"We met at college . . ." she said, and that statement means this College.

Merrill Ostrus, B. S. in 1940, and Sherry, B. S. in 1942, majored here in music, and their careers have taken them far.

She is a "pretty gal" and one of the singers on NBC-TV's big "Spec-taculars," according to Mr. Wilson. "And before that," says Sherry, whose uncle, Russell Ostrus, is a Des Moines lawyer, "I sang for Kate Smith. And before that for James Melton, and before that for Billy Rose at the Diamond Horseshoe. I was one of his short stemmed roses."

Maryville friends of Mr. and Mrs. Ostrus enjoy seeing them in New York "once in a blue moon," but seeing them on TV is one way of keeping them here.

THE STROLLER

A few days are left for those lucky graduating seniors. Realization of this event comes closer now that caps and gowns have been fitted and tagged with names. Some seniors are even counting the number of class meetings left this semester.

NWMSU's "water queens" should be commended for the fine show they presented. This is one instance that proves honest effort brings rewards. Pat Adams was the student director and stunt captain.

Has anyone noticed the attractive new cover for the 1955-56 general and graduate study catalogs? This year is truly a milestone for the College—celebrating the golden anniversary and offering graduate study! Courses numbered 300 look challenging to the Stroller.

President Jones, never cut down your lilac trees! A delightful fragrance is carried across the campus by the spring breezes—a pleasant early morning greeting before business.

The College Pond has gained a resident, one mud hen. It is to be regretted that she has already learned to duck when students come her way; in fact, if you are standing on shore and raise your arm to wave at a passing friend, she immediately dives for the bottom.

The Stroller suggests that since the end of the semester is so close, students should postpone picnics and drives until week-ends or evenings. It's time for heavy thinking.

Agriculture Club Gives Award Banquet

The annual award banquet of the Ag Club was held at the Union building last Friday evening.

Special guests of the Ag Club were the fathers of the members, administrative heads of the College, and local stockmen who assisted with the livestock judging contest.

The occasion was for the presentation of awards to the Ag Club members who made high scores in the Annual Livestock Judging Contest held at the College on April 14.

Trophies and keys for high scoring individuals were supplied by the Nodaway Valley Bank and were presented to the winners by A. J. Dinsdale, vice-president of the bank. Awards were made in sheep, beef cattle, swine and quarter horses, along with the traditional "Golden Steer" trophy presented to the high individual of the entire contest.

Dr. Wise Burroughs, professor of animal husbandry, Iowa State College, addressed the group. Maurice Nelson, a senior in the College and president of the Ag Club, presided at the banquet.

Harold Baker received the Club's Gold Steer award. Other winners included Maurice Nelson, Lowell Mohler, Donald Shamberger, and Donald Scheib.

Around the Campus Now . . .

Exhibited in the show case outside the auditorium are some lovely and interesting pieces of pottery and porcelain, selected and arranged by students in Fine Arts 131 Home Planning and Decoration under the direction of Miss Olive DeLuce.

A few of them are egg cups from France, Spain and Holland; 100-year old figurines; 200-year old wedgewood from England; Royal, made for the Royal Family, Copenhagen figures; a Tobey Jug made with the face of a Dickens' character on the front of it; modern milk glass; and a vase made by Mrs. J. A. Dreps while she was teaching in North Dakota.

These pieces were donated by Mrs. J. A. Dreps, Mrs. Albert Kuchs, Hotchkiss, Time and Gift Shop, Albert Bell, Jeweler, Miss Eureka Brown, and Miss Estella Bowman.

Botany students went on the first of a series of field trips Thursday, April 21. Dr. Irene Mueller is directing the trips, the purpose of which is to learn and identify the trees upon the campus.

During Dr. Mueller's absence, while she is in New Mexico, students are identifying assigned trees on the campus. Upon her return the regular field trips will be resumed.

At the present only coniferous trees are on the agenda. Later, after they have fully leaved, deciduous trees will be included.

The field trips are conducted each semester to teach students tree identification. More than one hundred kinds of trees are included in the series of trips.

If summer is here, school is out. Well, not quite. We still have a month left. These last weeks are important. Control that urge to skip. In the final reckoning, daily attendance and show of interest count, even if the birds are singing and the outdoors calls you.

On Tuesday, April 19, the Independent Club members dispensed with their regular meeting and embarked, instead, on a twilight hayride. After leaving the library parking lot, the ride proceeded through parts unknown and thence to Roadside Park north of the city.

Sponsors accompanying the group were Dr. and Mrs. Charles Koerble and Mr. and Mrs. Gerhard Krapf. Committee chairmen helping make the evening a success were Eldon Patterson, Monte Adams, and Carroll Wheeler.

Art lessons are given every Wednesday over radio station KNIM at 3:00 p. m. by Miss Olive DeLuce for the Nodaway County Rural Schools.

This is the first time for many of these children in the rural schools to have any systematized art. The program has been on the radio for the past school year and will continue again next year.

The children have been doing self portraits and animal drawings both in crayon and water color, and there is a good deal of variety in subjects.

Robert Lister, son of Mr. and Mrs. S. D. Lister of Bolckow, assisted Miss Dorothy L. Welgand with the Horace Mann Senior Play "Junior Miss" which was presented April 20 and 21.

Robert is a senior with an English major and a speech minor. He also helped with the technical aspects of the play.

Dr. Richard Dabney, director of special education, was the speaker for the Exceptional Children's Conference which was held last Thursday evening at the College. Plans for next year's program were also made.

A Decade or Two Ago . . .

TWENTY YEARS AGO

Twenty years ago, one hundred and thirty men and women enrolled for the Five Weeks' Short Course. This course was offered primarily for rural teachers whose schools closed in April.

In 1935, there were forty-eight students receiving degrees; thirty-seven were Bachelor of Science and eleven were Bachelor of Arts.

Two students of "The Northwest Missourian" staff attended the twenty-sixth annual journalism week at the University of Missouri, Columbia.

Hayden's "Creation," an oratorio, was presented by a chorus of more than one hundred and twenty-five voices, with visiting soloists from Chicago and Des Moines.

Art students from Miss Olive DeLuce's classes took a trip to Kansas City on April 23. They visited the Art Institute, the Nelson Art Gallery, and the Liberty Memorial.

10 YEARS AGO

A new organization, the Student Christian Association, has been organized recently on the campus and is working energetically to get the cooperation of the College students and to promote its aims.

The Social Science department was in charge of the College assembly on Wednesday, April 25. Addresses were given by Dr. John Harr, Dr. J. Richard Wilmet, and Dr. Julian C. Aldrich on the Mexico conference, Bretton Woods conference, and problems of the San Francisco conference, respectively.

Lieutenant Frances E. Aldrich, former student and College nurse, sends news of former students. She is stationed in Paris, France. Captain Victor V. Farrell, according to Lieutenant Aldrich, is with the 94th Gas Treatment battalion. Miss Aldrich has met the former Miss Day-Weems, at one time head of the physical education department of the College, who is now a WAC major.

Homer Ogden, a former student who is now president of Northwest Missouri Dairy Association, has announced a Count Dairy Day for Nodaway county. Alumni of the College who will act as chairman of different committees are Floyd Houghton, Lawrence Wray, and Ellis Meek.

New members of the Student Senate for the year of 1945-46 are Baine Steck, president; Mary Lloyd Taul, vice president; Mary Alice Wade, secretary; Janet Drennan, treasurer; Mary Garrett, parliamentarian. Mr. R. T. Wright and Mr. M. C. Cunningham are sponsors of the Senate.

Possibilities Not Known

Nuggets may be found more often when one searches for them than by chance. When efforts are given under careful directions, some results are bound to repay sincere attempts, even though the highest attainments may not be reached at first.

"The pen is mightier than the sword" when proper motives are used, and the chief goal may be reached for unselfish purposes. When proper instruction is chosen to be given by able instructors the way to an open road to success is more secure.

Unknown possibilities may be brought to light for some who have not tried to write. The Writers' Club in the English department may help you to unlock that unknown trait within you, that you may be the one to demonstrate that "the pen is mightier than the sword."

Sigma Tau Gamma

Taus recently held their annual election. New officers are Larry Jones, president; Curt Thomas, vice-president; Ken Dowden, secretary; Frank Davis, treasurer; John Woody, chaplain; and Mick Anderson, sergeant-at-arms. Recent appointments were Rex Stuck, social chairman, and Bob Lillie, corresponding secretary.

Congratulations are in order for Curt Thomas and Elaine Schroeder, Larry Rowley and Shirley Dieterich, and Lex Creamer and Nancy Rainey on their pinnings.

Sunday afternoon, April 17, the Taus held their annual spaghetti supper. Our Italian chef, Ono, presented his world famous recipe.

The Saga of Sigma Tau, the national fraternity magazine, ranks Theta chapter as tops in 1954 Homecomings. The magazine featured pictures and writeups of all three of our first place winners in the beauty float, humor float, and house decorations.

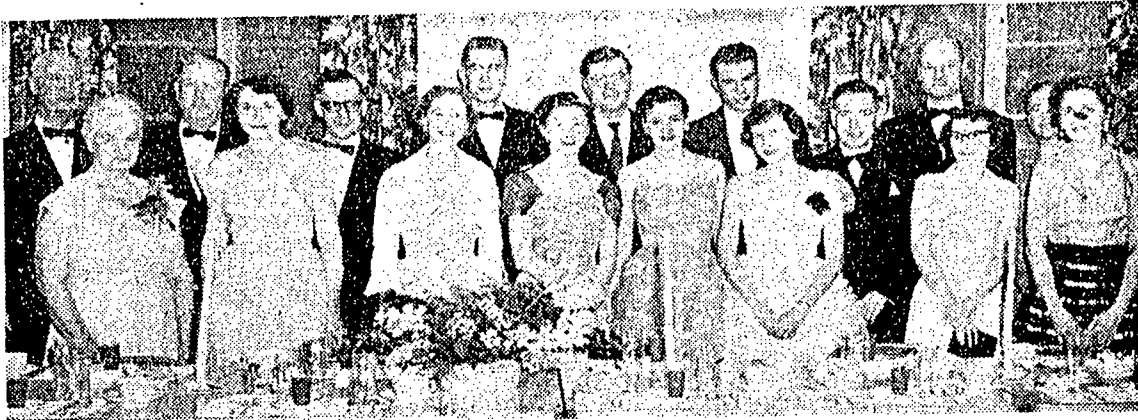

Intramurals are still going strong. The Tau bowling team, thanks to the services of Ono Monachino, Larry Rowley, Jack Wiechmann, Mike Hutcheon, Jay Scardino, and Frank Russell, captured another cup. Softball got underway last week. Taus have won their first two games and are looking forward to winning the softball cup.

Alumni recently seen on the campus were Austin Pollard, George Kling, and Jim Gillett. All three are serving in the armed services and were home on leave.

May 21 is the date which has been set for the annual Rose Dance, to be held at the Country Club. Music will be provided by the Rhythmaires of Shenandoah, Iowa. The evening's entertainment will be highlighted by the crowning of the Rose Queen.

Tommy Teke says Alpha Sigmas

Spring is sprung, grass is riz, I hope I can sluff that quiz. That seems to be the common thought this time of year. Spring fever reigns and Tommy Teke is high in line for royal favors. The avid activity on campus seems to be romance. Proof positive may be found in the recent pinnings of Jim Groomer and Barbara LaMar and Deon Jensen and Carol Bressler.

Tau Kappa Epsilon extends its formal apologies to Bizet for the atrocious presentation of "Carmen." It is hoped no harm was done to the classics. Incidentally, Frater Snapp promises a return engagement of his philharmonic orchestra, upon request.

Teke intramural softball teams are whipping into fine shape. The fireballs of "Dependable Daryl" Flint will prove a definite asset. Also Jim Snapp participated in the swim show. He played a clown, a natural, no?

Alpha Sigmas

Many new friends were made at the Alpha Sigma Alpha convention which was held Saturday, April 23, in Kansas City. The Phi Phi chapter was represented by Nancy Rainey, Beverly Murphy, Carol Bressler, Pat Adams, Nancy Kariger, Carol Gamble, Norma Long, and Kaye Ferguson. The convention program consisted of songs, skits, a panel discussion on the aspects of college life, and a luncheon. Spring is definitely here and with spring comes dances. The Alphas are having their spring formal at the Country Club on May 13.

Carol Bressler and Nancy Rainey have been pinned recently.

Alpha Sigma Alpha is going to install a new chapter in May at Creighton University, Omaha. Annie Lou Cowan, Nancy Rainey, Norma Long, and Carol Gamble have been elected as delegates from this chapter to attend the installation.

Thanks go to the Sig Tau frat for the dance given for the Alphas recently.

Colhecon

Members of Colhecon recently elected new officers. They are as follows: Erma Dean Grabill, president; Evelyn Mathews, vice-president; Virginia Birbeck, secretary; Juanita Myrtue, treasurer; and Charlene Steiner, publicity chairman.

Plans for next year's program were made and activities for the remainder of this year were discussed. A party for the members who are graduating was planned.

Phi Sig Review

Members of the Phi Sig frat have been working hard on the fifth annual Phi Sig Frolics, which will be held in the College auditorium, Thursday and Friday, May 5 and 6. It will consist of a minstrel show in three acts. Tickets are now on sale and may be purchased from any frat member. Tickets will also be sold at the door.

The Orchid Ball was held Saturday, April 30, at the Maryville Country Club. Music was furnished by the "Tom Wiley" band. A short program at intermission was highlighted by the awarding of the "Phi Sig of the Year" trophy to Harold Dinsmore.

A. C. E.

Twenty members of the A. C. E. attended the national conference in Kansas City. The theme of the convention was "Focus on Children." Meetings on the agenda were a general business session, a student forum at Kansas City University, study groups, and visits to various elementary schools in the city.

At a recent campus meeting of the A. C. E., election of officers for the coming year was held. Those elected to offices are Marge Wallace, president; Margaret Young, vice-president; Helen Propst, secretary; Barbara Tyler, treasurer; Connie Cutler, social chairman; and Barbara Nixon, publicity chairman.

Faculty Dames Will See Play

Faculty Dames will meet May 12, at 2:30 p. m., in room 103 of the Administration building for a one-act play to be given by members of the speech and drama department and to be directed by Mr. Ralph E. Fulson, head of the department.

After the play, they will go to the Gold Room of the Union for the business meeting and refreshments. Hostesses are Mrs. Harold Mulford, Mrs. Gilbert Whitney, Mrs. W. A. Rickenbrode, Mrs. Donald Valk, and Mrs. J. K. Sowards.

Mrs. Mulford is general chairman, and Mrs. Whitney is the program chairman.

Students Give Play In Skidmore, Graham

Drama student presented "The Doctor in Spite of Himself," English translation of Moliere's play, at Skidmore and Graham, Thursday night.

In the cast were Earl Gebhardt, Carolyn Denny, Walter Maris, Roger Wayman, Benny Simpson, Marge Cannon, Nancy Dancer, Larry Ramsey, and Kirby Norman, Elbert Blair and Walt Hopkins took care of scenery, and Jerry Cooley and Kaye Ferguson had charge of make-up.

Elbert Blair also gave his oration with which he recently won a second place rating in the state contest.

Mr. Ralph Fulson, chairman of the speech department, accompanied the group.

Delta Sigmas

"Blossoms of Spring" has been selected as the theme for the annual spring formal, to be held May 7, in the Union Ball Room.

President J. W. Jones will crown the Delta Rose and present the outstanding pledge award during the intermission.

Dancing will be from 9-1 to the music of the Twilights from St. Joseph.

Committees for the dance are as follows: decorations, Evelyn Finter, Mary Griffin, Kathryn Taylor, Carolee Evans, Carol Walker; program, Shirley Heits, Lauretta Taylor, Rosalie Hamilton, Helen Gillis, Lavonne Van Meter; refreshments, Marcia Ely, Verla Mosman, Marcia Woodcock, and Evelyn Matthews.

Kappa Omicron Phi

Kappa Omicron Phi girls enjoyed the dessert party given by the alumnae chapter of Kappa Phi in the Gold Room, Monday, April 25.

The theme of the evening was antiques that are now being used. Mrs. John Schrier, who makes dolls for a hobby, gave a talk and a demonstration on making dolls.

Favors of elaborate satin garters were fashioned by the alumnae and presented to the graduation seniors to be placed in their trousseaus.

Twenty-eight alumnae were present, and a guest, Miss Rose Gram, Berkeley, California, was also in the group.

Bearcats Win 8th Straight Track Meet

Bearcat Strength Mounts Tarkio Loses by Nine Points

Maryville's Bearcat track and field team swept to its eighth straight win Friday afternoon in a triangular track meet at Peru, Nebraska.

The Bearcats topped the closest team, Tarkio college, by nine points to take the eighth win of the track season. The hosting squad, Peru, ended in the last place position some 12 points behind the second place Tarkio team.

Team scoring was Maryville, 57½, Tarkio College, 48½, and Peru, 36.

This is the first meeting the Bearcats have had with the Peru squad.

"In regard to our chances at the State Meet," commented Coach Milner, "we're improving. I'll be able to tell more about it after the Warrensburg meet on the 6th.

Seventh Straight for Bearcats

Coach Milner's Bearcats allowed the Graceland Junior College, Lamoni, Iowa, thincads only 44 3-4 points as the Milnerites racked up 91½ to score their seventh straight track victory of the outdoor season.

Jack Spence and John Schulze scored double victories for the Bearcats.

Spence won the 100 and 220 yard dashes, while Schulze captured both the shot and discus.

Maryville won 13 of the 16 events, sweeping the 100 yard dash and discus: 880 relay . . . Jackson, Worley, Tilton, Spence; 100 yard and 220 yard dashes . . . Spence; 220 low hurdles . . . Guess; 440 yard dash . . . Linville; 880 yard run . . . Tilton; mile run . . . Anderson; two-mile . . . Hall; mile relay . . . Boler, Freeman, Riegel, Jackson; high jump . . . Dowden; broad jump . . . Freeman; and discus and shot put . . . Schulze.

Sixth Win of Season

Coach Milner's track team coasted to a 91-51 victory over Tarkio College, April 25, to make the sixth Bearcat victory of the season.

Jack Spence, with firsts in the 100 and 220 yard dashes and running anchor in the 880 yard relay; Mickey Anderson, winning both the mile and two mile; and Vic Cromer winning in the high hurdles finishing second in the lows and the javelin, paced the Bearcat victory.

Ten firsts went to the Maryville thincads: 880-yard relay . . . Freeman, Worley, Watson, Spence; 120-yard high hurdles . . . Cromer; 220-yard low hurdles . . . Guess; 100-yard and 220-yard dash . . . Spence; mile and two mile . . . Anderson; broad jump . . . Freeman; shot put . . . Butler and discus . . . Schulze.

The Bearcats scored their fifth straight track meet of the season April 23 by a narrow half-point margin, 76-75½, over William Jewell.

Jack Spence with 11 points paced the Bearcat scoring, followed with a close 10 by Bearcat runner, Mickey Anderson.

Coach Ryland Milner's thincads captured the first position in ten events: 880 relay . . . Freeman, Worley, Watson, Spence; mile . . . Anderson; 440 dash . . . Linville; 100 yard dash . . . Spence; 880 yard dash . . . Tilton; 220 yard dash . . . Spence; 2 mile . . . Anderson; mile relay . . . Boler, Riegel, Tilton, Linville, broad jump . . . Freeman; and high jump . . . tie between Dowden and Carson, WJ.

Bearcat Netters Take Five of Six

Omaha University's strong tennis team scored a 7-0 win over the Bearcat netters April 22.

Coach Peterson's netters redeemed themselves on Monday by dropping the Tarkio College team 6-0 for five wins out of six meets.

In single events, Adair won 6-2, 6-1; Phillips had 6-0, 6-4; Clark 6-0, 6-1; and Smith 6-2, 6-0.

Adair and Clark had 6-0, 6-1; and Phillips and Smith had 6-1, 6-1 to take both double events.

Bearcat netters have two remaining games before the State meet at Cape Girardeau, May 14. They will meet both the Graceland College team from Lamoni, Iowa, and Warrensburg on the Maryville courts.

Bob Smith, Dick Phillips, Charles Adair, and Paul Clark will represent the College in the state tennis meet.

Last year, with only two men going to the state meet, the Bearcats captured second place in the tennis tournament.

This year the team is better balanced with four good players; however, Warrensburg, first place winner last year, will be back with exactly the same team.

"I'll know better what to predict on the state meet results after our match with Warrensburg, May 6," said Coach Dr. H. D. Peterson.

Sig Taus Lead Race For Supremacy Trophy

Sig Taus took another trophy in intramural action by winning first place in the bowling tournament with 55 points. The Independent Club with 40 and the Tekes with 27 captured second and third, respectively.

Phi Sigs were fourth, but were able to get 30 points toward the supremacy cup.

Ickes had the high game of the

tournament with 197, followed by John Wood with 192, and Larry Johnson with 188.

Total points at the end of action in basketball, free throws, volley ball, touch football, and bowling are
Sig Taus . . . 439
Phi Sigs . . . 315
Tekes . . . 296
I. C's . . . 167

Gregory's Golfers Boast 5-1 Record

Coached by Bob Gregory, the Bearcat Golfers took a 7½-4½ win over the William Jewell linksters April 23.

Bill Groom took medal honors with a 42-40-82. Larry Seymore and Ken Simmons each shot 84's and Tom Bishop took 89 strokes.

For the fifth straight win of the season the Bearcat golfers defeated the St. Joseph Jr. College linksters 9-3, April 28.

Larry Seymore and Bill Groom shared Bearcat honors, each with 89s. Tom Bishop had an 88 and Ken Simmons 92.

The visiting Maryville State College golf team fell 6½ to 8½ to the Bobcats at Peru State Teachers college at Peru, Nebr., April 29. It was the Bearcat linksters first loss in six matches.

Larry Seymour, Maryville, turned in the medal score with a 37-41-78 for the match.

Kenneth Simmons, Maryville, 42-41-83; Bill Grooms, 44-49-93; and Curtis Thomas, 46-47-93.

Victor Cromer Enrolls In Marine Corps Class

Vic Cromer was recently enrolled in the Marine Corps Platoon Leaders Class, according to Major F. R. Kraince, who is in charge of Marine Officer Procurement in the Kansas City area.

Vic will receive twelve weeks of Marine officer training at the Marine Corps Schools, Quantico, Virginia, before being commissioned as a second lieutenant in the Marine Corps Reserve.

The big question now going over the campus is the Bearcat spikemen. Can they be beaten before the state meet at Cape?

Graceland loses as Maryville takes seventh straight. Friday's meet in a triangular with Peru and Tarkio was also in favor of the Bearcats.

Congratulations are due to Lester Hall for winning the two-mile in the meet with Graceland. Here's hoping that Lester will become another Anderson.

Coach Peterson's tennis team and Coach Gregory's golf team are both going great. They look as if they might have a chance at first place if they continue the pace at Cape, May 14.

Looks as if Schulze and Butler are having a contest between themselves at meets now days. One day, "Big John" wins, and then Larry comes back and wins the next. There is no doubt in my mind that "Big John" is one of the best prospects in shot put and discus Maryville has had in a long time. As a freshman, John is putting the shot 45½" and discus 132 feet. Keep up the good work, John.

The Sig Taus' softball teams aren't bad, winning two apiece to no losses so far. Who is the heavy hitter? Henry Southard, of course.

High School Spikemen To Invade College

The College will be host to approximately 500 high school spikemen, May 7, at the annual District High School Track Meet.

Participants in this meet may be qualified to enter the State High-School Meet to be held the following week at Columbia.

A selection of a Queen to reign over the day's activities will be made by the M Club.
